Heard.

The prayer in the writ petition is for permitting construction of residential houses is not entertainable by this Court. Presently, the Hon'ble Supreme has stayed the construction activity in the region. Further, the lands which belong to the petitioner are agricultural lands. Certain photographs have been filed by the respondents. In that view of the matter, unless the land is converted, the question of permission of construction does not arise. No case for interference is made out. The writ petitions having no force are hereby dismissed.
